The Office for Immigrant Women

**is an international
communication
centre**

We offer

- Language courses in groups: A1, A2, B1, B2
- Personal coaching
Teaching and developing writing and reading skills
- 'Come Together'
weekly meetings for communication and faster integration
- Community Programmes (excursions, trips, celebrations, etc.)

We offer help in

- information about residency
- solving problems in everyday issues
- family, social, personal and/or psychological problems
- accompany to appointments at offices and doctors
- networking to other projects and institutions

Our goals

- developing language skills
- developing the opportunities for women all over the world to meet
- fighting against prejudices
- developing a network to support each other in private life and in the field of work
